PRODUCT FEATURES:

Bio Twisties are eco-friendly fastening solutions made from biodegradable (compostable) materials. These versatile twisties consist of a thin metal wire coated with plastic, providing ease of handling and enhanced durability.

- Workable Lifespan: 3 to 5 years
- Non-galvanised steel wire
- UV Stable (does not contain PFAs)
- End of life option:
 - Home Composting = +/-3 months
 - Left on Ground (soil) = +/-12 months
- Home compostable biopolymer coating. Raw materials are certified "Din Certco home compostable."
